With a proven track record of steering creative projects from concept to fruition, I am an experienced Creative Director ready to redefine industry standards and captivate audiences utilizing innovative visual storytelling. I have cultivated a multifaceted skill set blending artistic flair with strategic acumen, delivering groundbreaking campaigns that resonate with diverse demographics. I have a passion for pushing creative boundaries and am adept at harnessing the power of interdisciplinary collaboration, I lead dynamic teams to seamlessly merge design, technology, and brand narrative into unforgettable experiences. From crafting compelling visual identities to orchestrating multimedia campaigns, I excel in translating complex ideas into tangible, awe-inspiring creations that leave an indelible mark. Driven by a relentless pursuit of excellence, I am committed to staying ahead of emerging trends, leveraging cutting-edge tools and methodologies to stay at the forefront of the industry. Whether it's breathing new life into established brands or incubating startups from inception, I bring a unique blend of strategy and creative ingenuity to every project.

PROFESSIONAL EXPERIENCE

markField Design, Reading, MA.

Present Employment

- Spearheaded the creative direction and ownership of markField Design, delivering impactful marketing solutions including brand strategy, logo design, print design, user experience design, and website technical development.
- Cultivated a robust client portfolio of over 80 businesses spanning Professional Services, Financial Services, Manufacturing, Life Sciences, Bio-tech, High-tech, Retail, Tourism, Wellness, Non-profit, and Education.
- Utilized cutting-edge design software applications such as Adobe Creative Suite, Figma, HTML/CSS, and WordPress to achieve innovative results.
- Successfully launched multiple brands for both established companies and startups, providing comprehensive packages encompassing naming, brand strategy, logo design, brand standards, and messaging.
- Demonstrated adept project management skills, ensuring timely and budget-compliant delivery, with expertise in risk management, financial reporting, and proposal writing.
- Awarded over 50 American Graphic Design Awards for excellence in branding, website design, brochure design, and package design.

Viant, Boston, MA.

- Directed all creative efforts of client engagements from conception to launch, overseeing brand strategy, functional specifications, user interface design, and user experience design for brands such as IDC, Polaroid, BankBoston, and Sears.
- Played a pivotal role in client facilitation during new business development and throughout project execution.
- Managed creative teams, providing Art Direction and Coaching, while reporting to project and client management teams.
- Spearheaded creative coaching and mentoring initiatives for the entire creative community within the organization.
- Instrumental in monthly on-boarding through teaching website design techniques to new hires.
- Designed and managed all print collateral, including brochures and annual reports
